We recommend this comprehensive evaluation for students who are struggling with reading. Test consultants choose 8-10 subtests from 15-16 available subtests, depending on where your child is struggling in reading. Your child will be assessed in the areas of reading outlined by the National Reading Panel: phonemic awareness, decoding/phonics, language/vocabulary, fluency, and comprehension. This is an ideal choice for 4th graders and older who are struggling with basic reading and/or comprehension.
