

Do you need additional information about your child's academic achievement? Consider one of our **ADD-ON** testing options:

<u>Test Types</u>	<u>Cost</u>	<u>Time</u>	<u>Subtests Included</u>
-------------------	-------------	-------------	--------------------------

Reading Screening	\$120	2 hours of testing and a 20 min consultation	Word Attack Spelling of Sounds Oral Reading
--------------------------	--------------	--	---

This option assesses root skills necessary for reading success: phonemic awareness, phonics, fluency, and accuracy. This is an ideal choice for **2nd graders and older** who are struggling with decoding, spelling and/or fluency.

Reading Comprehension	\$120	2 hours of testing and a 20 min consultation	Reading Recall Reading Vocabulary Oral Reading
------------------------------	--------------	--	--

This option assesses the skills necessary for comprehending what you read: fluency, vocabulary knowledge, and remembering what you read. This is an ideal choice for **4th graders and older** who can decode but struggle with comprehension.

Extended	\$120	2 hours of testing and a 20 min consultation	Reading Recall - reading Editing - writing Number Matrices - math
-----------------	--------------	--	---

PLUS	\$140	2.5 hours of testing and a 30 min consultation	Science Social Studies Humanities Reading Recall - reading Reading Vocabulary - reading Editing - writing Number Matrices - math
-------------	--------------	--	--

The **Extended** and **PLUS** options are recommended for **5th graders and older**. Choosing either of these options is **not recommended more than every 2 or 3 years**. These package options include higher-order thinking and application of academic skills. The PLUS package also includes a brief overview of Science, Social Studies, and Humanities knowledge.

Reading Assessment	\$200	3 hours of testing and a 30 min consultation	8-10 extra reading/spelling subtests
---------------------------	--------------	--	--------------------------------------

This is a comprehensive evaluation for students struggling to read. Test consultants choose 8-10 subtests from 15-16 available subtests, depending on where your child is struggling in reading. Your child will be assessed in the areas of reading outlined by the National Reading Panel: phonemic awareness, decoding/phonics, language/vocabulary, fluency, and comprehension. This is an ideal choice for **4th graders and older** who are struggling with basic reading **and** comprehension.
